

Castle Rock Family Physicians

Annual Physical

Your Physical is a whole person examination:

- From top to bottom
- Whole body skin exam
- Screening health exam to survey for unrecognized medical problems
- Potential update on immunizations
- Diet and exercise chat
- Preventive healthcare chat

Your Physical is **not** for the purpose of:

- Not a review of lab results
- Not a time to discuss medical problems
- Not for medication adjustments or refills
- Does not include IMT, DEXA Scan, EKG, OMT, X-rays of any type, surgical procedure of any type, a discussion of a new medical problem, etc.

If you have an on-going or new medical issue, need to discuss lab results or discuss adjustment or refills on your medications please recognize this may be addressed at the same visit but in accordance with standard coding guidelines, these may result in a charge for a medical visit at the same visit. We offer this service to save you time out of your busy schedule.
